Arizona CATTLEMEN'S ASSOCIATION CATTLE-PAC

Looking to make an impact on the future of the cattle industry and rural Arizona?

WHAT DOES THE CATTLE-PAC DO?

- EDUCATE - PARTICIPATE - COMMUNICATE -

Educate - The CATTLE-PAC interviews candidates and elected officials teaching them about the issues important to your business and families!

Participate - CATTLE-PAC builds coalitions with other like-minded organizations to help elect officials who understand and support your issues.

Communicate - Don't let government run your business! A staff of trained lobbyists advocate on behalf of ranch families and all of Arizona's beef producers.

We can't all run for office or travel to Phoenix or Washington to speak with each Representative or Senator. We can't familiarize ourselves with every issue. We have our ranches to run.

BUT

We can help elect officials who understand our needs; we can provide our staff in Phoenix the access they need to the Legislature; we can give them the opportunity to address the issue for us.
